This Agreement and Contract specifies the services of Blazin Entertainment Inc, dba Foam Dudes to provide foam for the event specified below. This Agreement and Contract is to be signed along with the Release Agreement also to be supplied by Foam dudes. The Agreement and Contract for the services described below is made this date, between the undersigned "Client" and the undersigned service provider. Foam dudes will provide the following for your event – foam machine and supplies, barrier fencing to delineate the foam play area (if included in package) and the operator for the equipment. Client agrees to provide (2) 110V (20amp or higher) electrical outlets within 20 ft. of foam arena with an earth grounding receptacle and a Ground Fault Circuit Interrupt (GFCI) if available and a warm to hot water supply . (Please Note - water softeners act like a de-foamer and will not be conducive to good foam production). The setup should be such that the electrical and water supply will not be interfered with by children or others Client further agrees that a specified representative will be present to maintain order and all safety Client also understands that foam, by nature is wet, and can cause any surface it comes into contact with to be more slippery than when dry. Client understands that Foam dudes will maintain foam at a level that is age appropriate for the smallest participate and that Foam dudes may specify a limit on the number of participants at any one time, should the need arise for safety purposes.
